Re: Good Government Status Report

Please find herewith a copy of the Sheriff's Department Good Government Status Report and PowerPoint presentation.

I would like to take this opportunity to express my appreciation to Congressman Visclosky and those corporate entities that helped implement and pay the cost for the study. Also, thanks to the Maximus group that provided a whole range of expert recommendations to reduce cost to taxpayers and still provide greater services to our community. This status report will be placed on the Sheriff's website to inform the public of our ongoing cost saving measures without sacrificing public safety.

Upon your review, I invite and welcome your ideas and suggestions that would assist the Lake County Sheriff's Department to continue providing you and our community with effective public services.

If you have any questions, please feel free to contact me at your convenience.
